Activities that Both Occupations Have in Common		Similarity of Focus Occupation to Associated Occupation: 56	
Focus Occupation: Petroleum Pump System Operators, Refinery Operators, and Gaugers (51-8093) Associated Occupation: First-Line Supervisors of Production and Operating Workers (51-1011)			
Work Activities		Exclusivity of Activity	
Adjust production equipment/machinery setup		25	
Maintain production or work records		19	
Monitor production machinery/equipment operation to detect problems		27	
Read work order, instructions, formulas, or processing charts		9	

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
